

Report

Visit of Japanese Delegation to DYP SOE

- Title: Collaboration with Asian IT Engineers Career Support Council of Japan
- Day & Date: Thursday, 6th July 2017
- Timing: Morning 9.30 am to 1.30 pm
- Director, Dean (R&D), Dean (Academic), Heads of Department, T&P Officer, Mr. Agarkar and eight members of Career Support Council of Japan were present.
- Purpose:
 1. Introduce Japanese communication class
 2. Provide Internship / career job opportunity during their study period in Japan.
 3. Provide the job information to Indian Students.
 4. Support promoting studying in Japan and working in Japan.
- Details: Director Sir has welcome the team of eight members of Japanese council of Japan and expressed the objective of visit. The main discussion has been divided in to three sessions;
 1. Presentation about the institute (DYP SOE) by Dr. S. S. Sonavane (Director)
 2. Questions from Japanese Council members.
 3. Key way session (Road Map for collaboration)

During the key way session they asked various questions regarding Job festival, Curriculum of IT / Computer Engineering, Placement of students, Percentage of students passing, Credit Transfer System, Number of students studying Japanese language in the campus, Average starting salary of placed students, Any Japanese Company as a recruiter, Technology level of students for studying in Japan, Possibilities of Internship of students, Criteria of Major recruiters and their expectations, Providing the job / career fair for Japanese Company....etc.

Director Sir and other members of the forum were discussed rigorously on above mentioned questions and we had a brain storming session towards the collaboration with Asian IT Engineers Career Support Council of Japan. Mr. Shekhar Agharkar has also expressed the objective of the visit. All Japanese delegates were very happy about the vision of our institute and will inform us shortly about the memorandum of understanding (MOU) with our institute.
