## STUDENTS CODE OF CONDUCT

*The status of an institute depends especially on the performance of its students. The students of any institute are known not only by their performance in their studies but also by their conduct which is an important part of their behaviour. In order to make the DYPSOET feel proud of its students, the following code of conduct is expected of the students.*

### 1. Academic Conduct

- a. Students should attend all the classes regularly right from the first day to the last day as per academic calendar of DYPSOET.
- b. If students attendance is less than 75%, he/she will not be allowed for SPPU online/Insem/Endsem Examination.
- c. Students should conduct/complete all his/her TW (Journal/Assignments) as per the given schedule.
- d. The students must be regular and punctual in their studies.

### 2. Assurance to Quality

- a. Strive for the utmost possible standard of performance and try to produce work of which one can be honoured.
- b. Do not commit academic misbehaviour, including cheating, plagiarism, faking or fabricating data.

### 3. Responsibility and Discipline:

- a. Act with responsibility and fairness to others in all activities, including being prepared for classes and other activities, contributing impartially to and working cooperatively on team activities.
- b. The students are expected to develop a sense of belongingness to the institute.
- c. Students must note proper silence in the classes/library and avoid making noise. They must observe timings in the Office and the Library so as to avoid unnecessary over-crowding.
- d. The students must not write on walls/desks/benches/sanitary units.

- e. Student shall keep their parents informed regularly about their performance in studies and other problems, if any. They should also make the payment of College/Hostel dues well in time.
- f. College uniform and I-card is compulsory in the campus.
- g. Students should not participate in any political activities.
- h. Students should keep/maintain cleanliness in the college campus. They should not split on the walls.
- i. Students should not use mobile in the institute.

#### **4. Equity and Respect for Others:**

- a. Student should not treat in any form of ragging.
- b. No student shall be distinguished on the basis of religion, caste & sex etc.
- c. In order to become good engineers student should observe professional ethics.

#### **5. Appropriate Use of Facilities:**

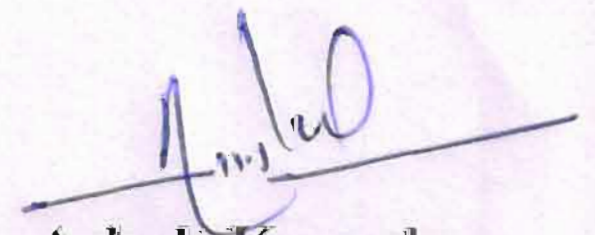

- a. Use facilities in the institute including laboratory, web access, class rooms, electricity in the correct and safe manner.
- b. Students should read the notices regularly.

#### **6. Support Code of Conduct:**

- a. Report to the proper authorities those who violate this Code of conduct.
