Dr. D. Y. Patil School of Engineering & Technology

DETAILS OF THE PROGRAM

The Department of Computer Engineering of Dr. D Y Patil School of Engineering & Technology, Lohgaon had arranged a Guest Lecture on Research Paper Writing on 12th July 2016 at 10.00 am in Room No 301.

Objective of the Lecture was to encourage the participants to get cognizance of the basics of Research. Swapnakumari, the Research Head of IIARD (Indian Institute for Advanced Research & Development), speaker for the event, was presented with a token of appreciation by the head of Computer Department, Prof. Arti Mohanpurkar at the beginning of the session.

The session included a guidance on systematic approach towards writing a research paper, exploring and identifying problems, how to carry the in depth analysis of the problem, writing an algorithm and annotating our research. The session was interactive and student inputs were appreciated. The students were awarded research vouchers for active participation in the session.

Following students were awarded with Research vouchers:
